

# BIKESTIKERS-Mobile Layout

**DESIGN EXPORT FORMAT**  
Each generated file will be  
in vector format.  
this is crucial for the print process

## EXAMPLE

 ITALOZZI Michele

VECTOR  
STROKE

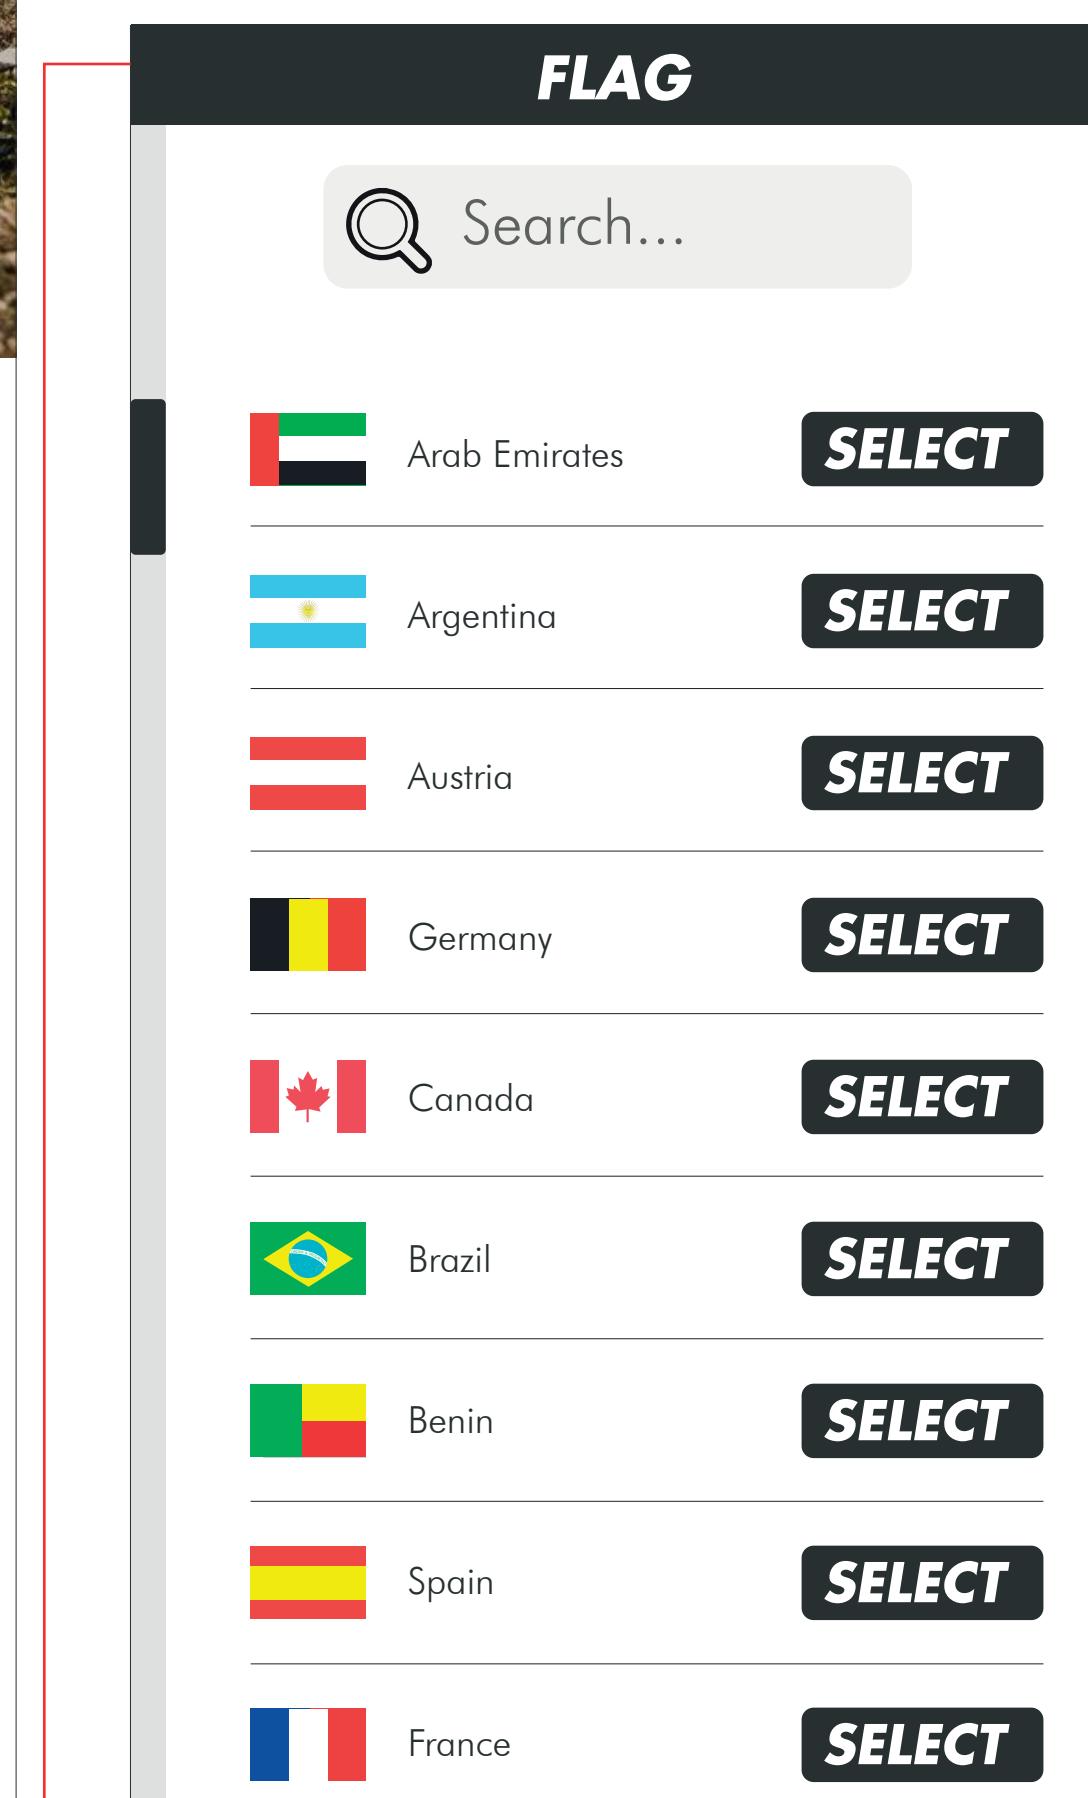

VECTOR FLAG 

VECTOR FONT **ITALOZZI Michele**

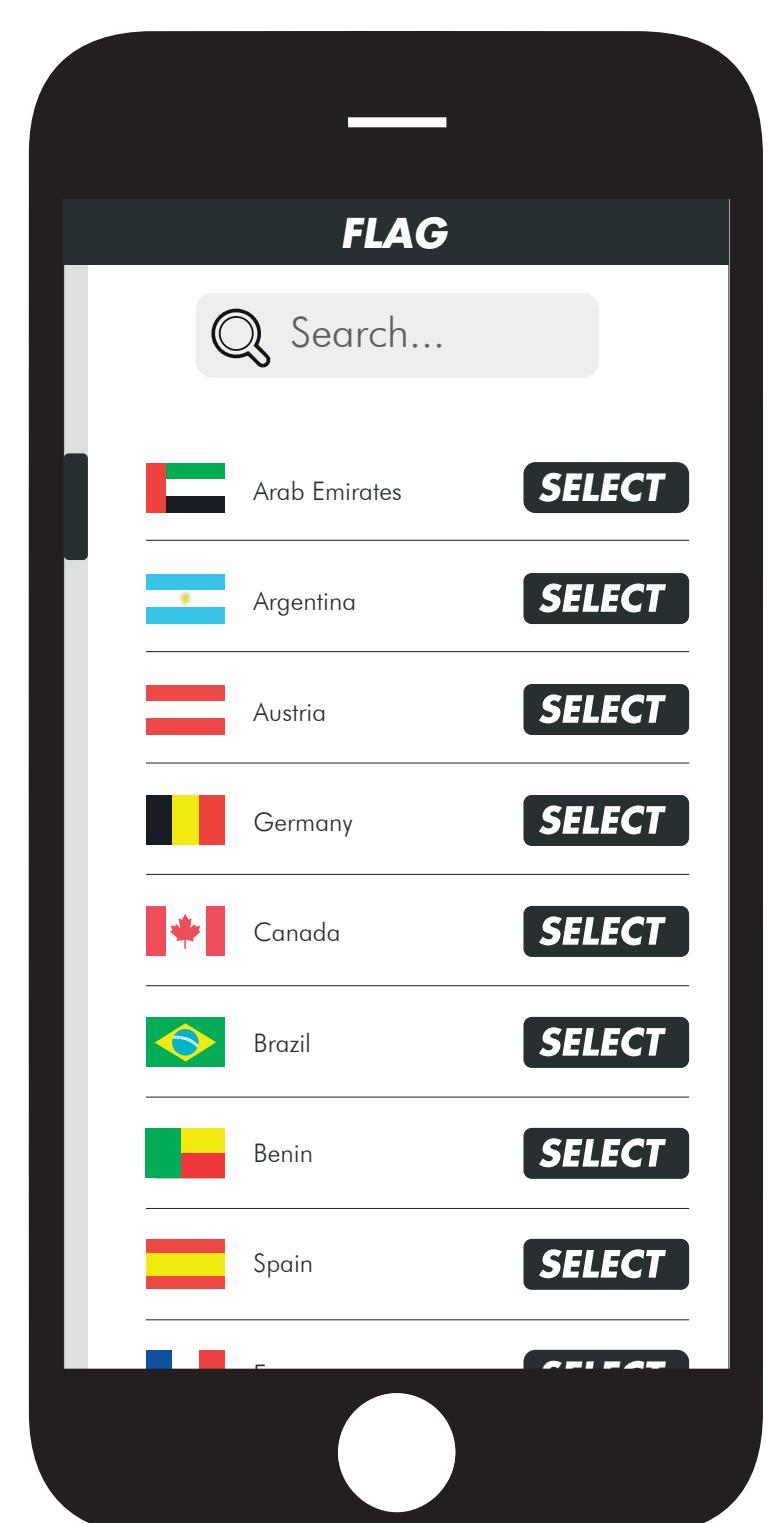

**RULE VALID ON PC AND PHONE**  
The measures must be updated  
directly each time the customer  
modifies the stickers

The central mobile screen displays a landing page for 'BIKESTIKERS'. It features a large image of a mountain biker, the text 'REALIZZA STICKERS PER BICI CON IL TUO NOME', and a dropdown menu. Below this is a section titled 'CHOOSE YOUR DESIGN' showing seven design options (DESIGN 0-6) featuring the name 'TALOZZI MICHELE' with different flag and skull variations. A 'CUSTOMIZE' section shows a preview of the name with the Italian flag. Below it, there's product information ('ONE KIT: 6 STICKERS SMALL 6 STICKERS MEDIUM'), input fields for 'Name' and 'Surname', and dropdowns for 'Flag' (set to Italy) and 'Icon' (set to a pencil). At the bottom, there are buttons for 'Font color', 'Icon color', 'Background color' (set to black), 'Glossy' and 'Matte' finishes, a quantity selector (set to 1), a price of '€16,90', payment methods (PayPal, Maestro, VISA, satispay), 'FREE SHIPPING', and a 'GO TO CHECKOUT €16,90' button.

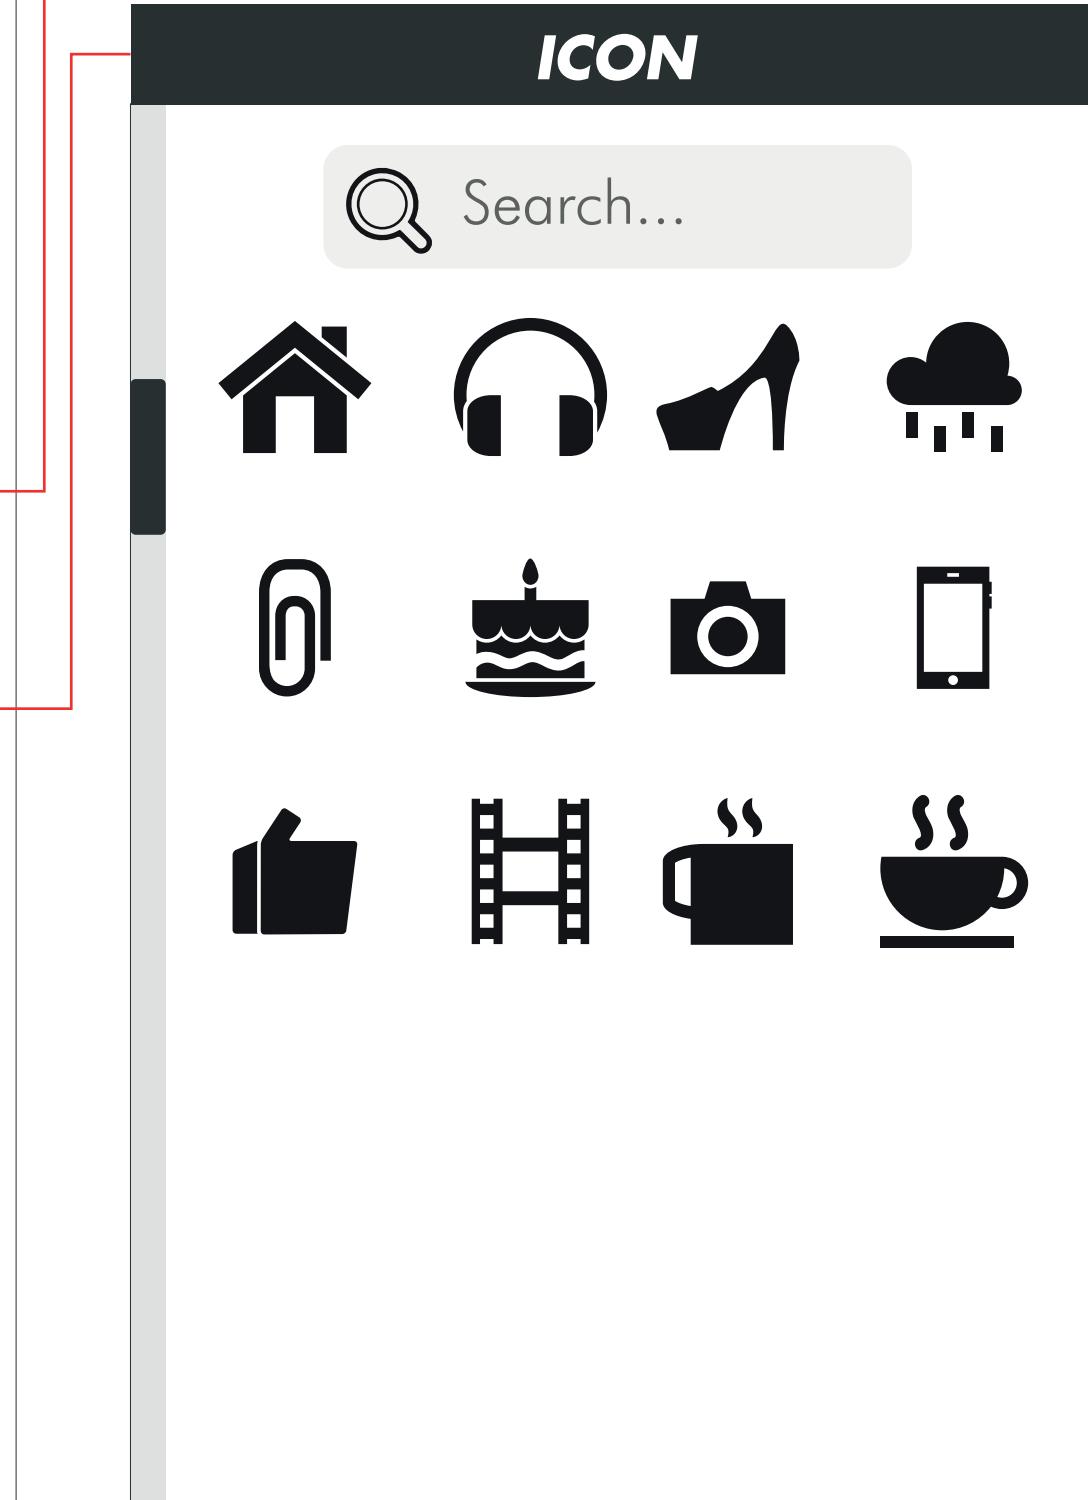

Flag selector example

**FLAG SELECTOR.**  
The flags are demonstrative.  
We will insert them once  
we have developed the plugin

Icon selector example

**ICON SELECTOR.**  
The icons are demonstrative.  
We will insert them once  
we have developed the plugin
